

# CLOSING ENTRIES EXPLAINED

## CLOSING ENTRIES EXPLAINED: A COMPREHENSIVE GUIDE FOR ACCOUNTANTS AND BUSINESSES

**CLOSING ENTRIES EXPLAINED** AS A CRITICAL ACCOUNTING PROCESS THAT MARKS THE END OF AN ACCOUNTING PERIOD, ENSURING THAT ALL TEMPORARY ACCOUNTS ARE ZEROED OUT AND THEIR NET BALANCES ARE TRANSFERRED TO PERMANENT EQUITY ACCOUNTS. THIS SYSTEMATIC APPROACH IS FUNDAMENTAL TO ACCURATE FINANCIAL REPORTING, PROVIDING A CLEAR SNAPSHOT OF A COMPANY'S FINANCIAL PERFORMANCE AND POSITION OVER A SPECIFIC TIMEFRAME. UNDERSTANDING CLOSING ENTRIES IS NOT MERELY AN ACADEMIC EXERCISE; IT'S A PRACTICAL NECESSITY FOR MAINTAINING HEALTHY FINANCIAL RECORDS, FACILITATING INFORMED DECISION-MAKING, AND PREPARING FOR AUDITS. THIS ARTICLE WILL DELVE INTO THE INTRICACIES OF CLOSING ENTRIES, COVERING THEIR PURPOSE, THE TYPES OF ACCOUNTS INVOLVED, THE STEP-BY-STEP PROCESS, AND THE IMPACT THEY HAVE ON FINANCIAL STATEMENTS.

## WHAT ARE CLOSING ENTRIES?

CLOSING ENTRIES ARE A SET OF ADJUSTING JOURNAL ENTRIES MADE AT THE END OF AN ACCOUNTING PERIOD – TYPICALLY MONTHLY, QUARTERLY, OR ANNUALLY – TO RESET THE BALANCES OF TEMPORARY ACCOUNTS TO ZERO AND TRANSFER THEIR NET BALANCES TO PERMANENT EQUITY ACCOUNTS. THESE TEMPORARY ACCOUNTS ARE ALSO KNOWN AS NOMINAL ACCOUNTS AND INCLUDE REVENUES, EXPENSES, AND DIVIDENDS. PERMANENT ACCOUNTS, ALSO REFERRED TO AS REAL ACCOUNTS, CONSIST OF ASSETS, LIABILITIES, AND OWNER'S EQUITY. THE ACT OF CLOSING ENTRIES IS WHAT PREPARES THE ACCOUNTING SYSTEM FOR THE NEXT ACCOUNTING PERIOD, ENSURING THAT FINANCIAL PERFORMANCE IS MEASURED ACCURATELY FOR EACH DISTINCT PERIOD.

WITHOUT THE PROPER APPLICATION OF CLOSING ENTRIES, FINANCIAL STATEMENTS WOULD PRESENT AN ACCUMULATION OF DATA ACROSS MULTIPLE PERIODS, MAKING IT IMPOSSIBLE TO DISCERN THE PROFITABILITY OR LOSS INCURRED DURING ANY SINGLE PERIOD. THIS PROCESS IS A CORNERSTONE OF ACCRUAL ACCOUNTING AND IS PERFORMED AFTER ALL OTHER ADJUSTING ENTRIES HAVE BEEN MADE.

## THE PURPOSE OF CLOSING ENTRIES

THE PRIMARY PURPOSE OF CLOSING ENTRIES IS TO PREPARE THE BOOKS FOR A NEW ACCOUNTING PERIOD BY TRANSFERRING THE NET INCOME OR NET LOSS FROM REVENUE AND EXPENSE ACCOUNTS TO THE RETAINED EARNINGS ACCOUNT, WHICH IS PART OF OWNER'S EQUITY. THIS EFFECTIVELY "CLOSES" OUT THE TEMPORARY ACCOUNTS, ENSURING THEIR BALANCES START AT ZERO FOR THE SUBSEQUENT PERIOD. THIS ALLOWS FOR A CLEAR AND ACCURATE CALCULATION OF PROFITABILITY FOR EACH REPORTING PERIOD. FURTHERMORE, CLOSING ENTRIES HELP TO MAINTAIN THE ACCURACY OF THE BALANCE SHEET BY ENSURING THAT EQUITY ACCOUNTS REFLECT THE CUMULATIVE IMPACT OF THE COMPANY'S OPERATIONS OVER TIME.

ANOTHER CRITICAL PURPOSE IS TO SUPPORT ACCURATE FINANCIAL REPORTING. BY ISOLATING THE RESULTS OF EACH PERIOD, BUSINESSES CAN ANALYZE TRENDS, MAKE STRATEGIC DECISIONS BASED ON PERFORMANCE, AND COMPLY WITH REPORTING

REQUIREMENTS. THIS PROCESS IS INTEGRAL TO UNDERSTANDING A COMPANY'S FINANCIAL HEALTH AND PERFORMANCE OVER TIME.

## TYPES OF ACCOUNTS INVOLVED IN CLOSING ENTRIES

THE ACCOUNTS AFFECTED BY CLOSING ENTRIES ARE CATEGORIZED AS TEMPORARY ACCOUNTS. THESE ACCOUNTS TRACK FINANCIAL ACTIVITY WITHIN A SINGLE ACCOUNTING PERIOD AND MUST BE RESET AT THE END OF EACH PERIOD. UNDERSTANDING THESE CATEGORIES IS CRUCIAL FOR CORRECTLY EXECUTING THE CLOSING PROCESS.

### REVENUE ACCOUNTS

REVENUE ACCOUNTS REPRESENT INCOME EARNED BY THE BUSINESS FROM ITS OPERATIONS. EXAMPLES INCLUDE SALES REVENUE, SERVICE REVENUE, AND INTEREST INCOME. AT THE END OF AN ACCOUNTING PERIOD, THE BALANCES IN THESE ACCOUNTS ARE CLOSED TO AN INCOME SUMMARY ACCOUNT, WHICH THEN TRANSFERS THE TOTAL REVENUE TO RETAINED EARNINGS.

### EXPENSE ACCOUNTS

EXPENSE ACCOUNTS REPRESENT THE COSTS INCURRED BY THE BUSINESS IN GENERATING REVENUE. THIS INCLUDES OPERATING EXPENSES LIKE SALARIES, RENT, UTILITIES, AND COST OF GOODS SOLD. LIKE REVENUE ACCOUNTS, EXPENSE ACCOUNTS ARE CLOSED TO THE INCOME SUMMARY ACCOUNT, WHICH ULTIMATELY IMPACTS RETAINED EARNINGS.

### DIVIDENDS ACCOUNTS

THE DIVIDENDS ACCOUNT REPRESENTS DISTRIBUTIONS OF EARNINGS TO SHAREHOLDERS. WHILE NOT AN EXPENSE, IT DIRECTLY REDUCES OWNER'S EQUITY. DIVIDENDS ACCOUNTS ARE CLOSED DIRECTLY TO RETAINED EARNINGS, REDUCING THE EQUITY BALANCE.

### INCOME SUMMARY ACCOUNT

THE INCOME SUMMARY ACCOUNT IS A TEMPORARY CLEARING ACCOUNT USED IN THE CLOSING PROCESS. IT IS USED TO ACCUMULATE THE TOTAL REVENUES AND TOTAL EXPENSES FOR THE PERIOD. THE NET BALANCE IN THE INCOME SUMMARY ACCOUNT (REVENUES MINUS EXPENSES) REPRESENTS THE NET INCOME OR NET LOSS FOR THE PERIOD. THIS BALANCE IS THEN TRANSFERRED TO THE RETAINED EARNINGS ACCOUNT.

## THE CLOSING PROCESS: A STEP-BY-STEP BREAKDOWN

THE CLOSING PROCESS INVOLVES A SPECIFIC SEQUENCE OF JOURNAL ENTRIES TO PROPERLY ZERO OUT TEMPORARY ACCOUNTS AND UPDATE PERMANENT EQUITY ACCOUNTS. FOLLOWING THESE STEPS SYSTEMATICALLY ENSURES ACCURACY AND COMPLIANCE WITH ACCOUNTING PRINCIPLES.

### STEP 1: CLOSE REVENUE ACCOUNTS TO INCOME SUMMARY

THE FIRST STEP IS TO DEBIT ALL REVENUE ACCOUNTS FOR THEIR ENDING BALANCES AND CREDIT THE INCOME SUMMARY ACCOUNT. THIS TRANSFERS THE TOTAL REVENUE FOR THE PERIOD INTO THE INCOME SUMMARY ACCOUNT.

## STEP 2: CLOSE EXPENSE ACCOUNTS TO INCOME SUMMARY

NEXT, ALL EXPENSE ACCOUNTS ARE DEBITED FOR THEIR ENDING BALANCES, AND THE INCOME SUMMARY ACCOUNT IS CREDITED FOR THE TOTAL EXPENSES. THIS MOVES THE TOTAL EXPENSES FOR THE PERIOD INTO THE INCOME SUMMARY ACCOUNT, OFFSETTING THE REVENUES.

## STEP 3: CLOSE INCOME SUMMARY TO RETAINED EARNINGS

AFTER REVENUES AND EXPENSES HAVE BEEN CLOSED TO THE INCOME SUMMARY, THE NET BALANCE IN THE INCOME SUMMARY ACCOUNT REPRESENTS THE NET INCOME OR NET LOSS FOR THE PERIOD. THIS BALANCE IS THEN TRANSFERRED TO THE RETAINED EARNINGS ACCOUNT. IF THERE IS A NET INCOME, THE INCOME SUMMARY IS DEBITED AND RETAINED EARNINGS ARE CREDITED. IF THERE IS A NET LOSS, THE INCOME SUMMARY IS CREDITED AND RETAINED EARNINGS ARE DEBITED.

## STEP 4: CLOSE DIVIDENDS TO RETAINED EARNINGS

FINALLY, THE DIVIDENDS ACCOUNT IS CLOSED TO RETAINED EARNINGS. THE DIVIDEND ACCOUNT IS DEBITED FOR ITS BALANCE, AND RETAINED EARNINGS IS CREDITED FOR THE SAME AMOUNT. THIS REDUCES OWNER'S EQUITY BY THE AMOUNT OF DIVIDENDS DISTRIBUTED TO SHAREHOLDERS.

## JOURNALIZING CLOSING ENTRIES

JOURNALIZING CLOSING ENTRIES INVOLVES CREATING SPECIFIC JOURNAL ENTRIES IN THE GENERAL JOURNAL TO RECORD THE TRANSACTIONS DESCRIBED IN THE CLOSING PROCESS. EACH CLOSING ENTRY IS RECORDED AS A STANDARD JOURNAL ENTRY, WITH DEBITS AND CREDITS ALIGNING TO ZERO OUT THE TEMPORARY ACCOUNTS.

FOR EXAMPLE, IF A COMPANY HAD TOTAL REVENUES OF \$100,000 AND TOTAL EXPENSES OF \$60,000, AND PAID DIVIDENDS OF \$10,000, THE JOURNAL ENTRIES WOULD LOOK LIKE THIS:

- DEBIT SALES REVENUE \$100,000; CREDIT INCOME SUMMARY \$100,000
- DEBIT INCOME SUMMARY \$60,000; CREDIT VARIOUS EXPENSE ACCOUNTS \$60,000
- DEBIT INCOME SUMMARY \$40,000; CREDIT RETAINED EARNINGS \$40,000 (REPRESENTING NET INCOME)
- DEBIT RETAINED EARNINGS \$10,000; CREDIT DIVIDENDS \$10,000

## POSTING CLOSING ENTRIES

ONCE JOURNALIZED, THESE CLOSING ENTRIES MUST BE POSTED TO THE GENERAL LEDGER. POSTING INVOLVES TRANSFERRING THE DEBIT AND CREDIT AMOUNTS FROM THE JOURNAL TO THE RESPECTIVE ACCOUNTS IN THE LEDGER. THIS UPDATES THE BALANCES OF THE AFFECTED ACCOUNTS, ENSURING THAT TEMPORARY ACCOUNTS SHOW A ZERO BALANCE AND THAT THE RETAINED EARNINGS ACCOUNT REFLECTS THE CUMULATIVE IMPACT OF THE PERIOD'S NET INCOME OR LOSS AND DIVIDENDS.

AFTER POSTING, A POST-CLOSING TRIAL BALANCE IS PREPARED. THIS TRIAL BALANCE ONLY INCLUDES PERMANENT ACCOUNTS (ASSETS, LIABILITIES, AND EQUITY) TO VERIFY THAT ALL DEBITS EQUAL ALL CREDITS AFTER THE CLOSING PROCESS IS COMPLETE.

# THE IMPACT OF CLOSING ENTRIES ON FINANCIAL STATEMENTS

CLOSING ENTRIES HAVE A DIRECT AND SIGNIFICANT IMPACT ON FINANCIAL STATEMENTS. THE PROCESS ENSURES THAT THE INCOME STATEMENT ACCURATELY REFLECTS THE REVENUES AND EXPENSES FOR THE PERIOD, LEADING TO THE CALCULATION OF NET INCOME OR NET LOSS. THIS NET INCOME OR LOSS IS THEN TRANSFERRED TO THE BALANCE SHEET, SPECIFICALLY IMPACTING THE OWNER'S EQUITY SECTION THROUGH THE RETAINED EARNINGS ACCOUNT. WITHOUT CLOSING ENTRIES, THE INCOME STATEMENT WOULD BE MEANINGLESS FOR A SPECIFIC PERIOD, AND THE BALANCE SHEET'S EQUITY SECTION WOULD NOT ACCURATELY REFLECT THE CUMULATIVE EARNINGS RETAINED BY THE BUSINESS.

THE RETAINED EARNINGS ACCOUNT ON THE BALANCE SHEET IS ESSENTIALLY THE ACCUMULATION OF ALL PAST NET INCOME NOT DISTRIBUTED AS DIVIDENDS. CLOSING ENTRIES ARE THE MECHANISM THAT UPDATES THIS ACCUMULATION. SUBSEQUENTLY, THE CLOSING OF RETAINED EARNINGS TO ITSELF AFTER THE NET INCOME/LOSS AND DIVIDEND ENTRIES ENSURES THAT THE BEGINNING BALANCE OF RETAINED EARNINGS FOR THE NEXT PERIOD IS THE CORRECT ENDING BALANCE FROM THE PRIOR PERIOD.

## SPECIAL CONSIDERATIONS FOR CLOSING ENTRIES

WHILE THE GENERAL PROCESS REMAINS CONSISTENT, CERTAIN BUSINESS STRUCTURES OR SPECIFIC ACCOUNTING TREATMENTS MIGHT NECESSITATE SPECIAL CONSIDERATIONS. FOR SOLE PROPRIETORSHIPS AND PARTNERSHIPS, THE CLOSING PROCESS WOULD INVOLVE CLOSING REVENUES AND EXPENSES TO THE OWNER'S CAPITAL ACCOUNTS OR DRAWINGS ACCOUNTS, RATHER THAN A SINGLE RETAINED EARNINGS ACCOUNT. CORPORATIONS, HOWEVER, USE THE RETAINED EARNINGS ACCOUNT AS THE PRIMARY VEHICLE FOR THESE TRANSFERS.

MOREOVER, BUSINESSES THAT USE DIFFERENT ACCOUNTING METHODS, SUCH AS THE CASH BASIS VERSUS ACCRUAL BASIS, WILL HAVE VARIATIONS IN WHICH ACCOUNTS ARE DEEMED TEMPORARY AND THUS SUBJECT TO CLOSING. THE ACCRUAL BASIS, WHICH IS MORE COMMON FOR LARGER BUSINESSES AND IS REQUIRED FOR EXTERNAL FINANCIAL REPORTING, NECESSITATES THE COMPREHENSIVE CLOSING OF ALL REVENUE AND EXPENSE ACCOUNTS.

## COMMON MISTAKES TO AVOID IN CLOSING ENTRIES

SEVERAL COMMON MISTAKES CAN OCCUR DURING THE CLOSING PROCESS, LEADING TO INACCURACIES IN FINANCIAL STATEMENTS. ONE FREQUENT ERROR IS FAILING TO CLOSE ALL TEMPORARY ACCOUNTS. THIS CAN HAPPEN IF AN ACCOUNT WAS NOT PROPERLY IDENTIFIED AS TEMPORARY OR IF AN ENTRY WAS MISSED. ANOTHER MISTAKE IS INCORRECT JOURNALIZING OR POSTING, SUCH AS REVERSING DEBITS AND CREDITS OR POSTING TO THE WRONG ACCOUNTS.

A CRITICAL ERROR IS NOT PROPERLY CALCULATING NET INCOME OR LOSS BEFORE CLOSING TO RETAINED EARNINGS. THIS OFTEN STEMS FROM ERRORS IN THE INCOME STATEMENT ITSELF OR IN THE EARLIER ADJUSTING ENTRIES. FINALLY, FORGETTING TO CLOSE THE DIVIDENDS ACCOUNT TO RETAINED EARNINGS CAN MISREPRESENT THE TOTAL OWNER'S EQUITY. DILIGENCE AND A THOROUGH REVIEW PROCESS ARE ESSENTIAL TO PREVENT THESE ISSUES.

## THE ROLE OF CLOSING ENTRIES IN AUDITING

AUDITORS RELY HEAVILY ON THE PROPER EXECUTION OF CLOSING ENTRIES. THEY REVIEW THESE ENTRIES TO ENSURE THAT THE FINANCIAL STATEMENTS ACCURATELY REFLECT THE COMPANY'S FINANCIAL PERFORMANCE AND POSITION FOR THE PERIOD. AUDITORS WILL VERIFY THAT ALL TEMPORARY ACCOUNTS HAVE BEEN CLOSED AND THAT THE BALANCES HAVE BEEN TRANSFERRED CORRECTLY TO PERMANENT EQUITY ACCOUNTS. THE POST-CLOSING TRIAL BALANCE IS A KEY DOCUMENT EXAMINED DURING AN AUDIT TO CONFIRM THE ACCURACY OF THE LEDGER AFTER THE CLOSING PROCESS.

THIS PROCESS ALSO HELPS AUDITORS IDENTIFY POTENTIAL IRREGULARITIES OR ERRORS THAT MAY HAVE OCCURRED

THROUGHOUT THE ACCOUNTING PERIOD. BY VERIFYING THE INTEGRITY OF THE CLOSING ENTRIES, AUDITORS CAN GAIN CONFIDENCE IN THE OVERALL RELIABILITY OF THE FINANCIAL RECORDS.

## WHY CLOSING ENTRIES ARE ESSENTIAL FOR BUSINESS SUCCESS

CLOSING ENTRIES ARE FAR MORE THAN A PROCEDURAL ACCOUNTING STEP; THEY ARE FOUNDATIONAL TO SOUND FINANCIAL MANAGEMENT AND, CONSEQUENTLY, BUSINESS SUCCESS. THEY PROVIDE THE CLARITY NEEDED TO ASSESS PROFITABILITY, UNDERSTAND THE PERFORMANCE DRIVERS, AND MAKE INFORMED STRATEGIC DECISIONS. WITHOUT ACCURATE PERIOD-END CLOSINGS, BUSINESSES OPERATE WITH AN INCOMPLETE AND POTENTIALLY MISLEADING VIEW OF THEIR FINANCIAL HEALTH, HINDERING THEIR ABILITY TO ADAPT TO MARKET CHANGES, MANAGE RESOURCES EFFECTIVELY, AND ACHIEVE SUSTAINABLE GROWTH.

THE ABILITY TO GENERATE TIMELY AND ACCURATE FINANCIAL REPORTS, SUPPORTED BY WELL-EXECUTED CLOSING ENTRIES, EMPOWERS STAKEHOLDERS TO HAVE CONFIDENCE IN THE COMPANY'S FINANCIAL REPORTING AND OUTLOOK. THIS TRANSPARENCY IS VITAL FOR SECURING INVESTMENTS, OBTAINING LOANS, AND MAINTAINING TRUST WITH ALL PARTIES INVOLVED.

### Q: WHAT IS THE DIFFERENCE BETWEEN CLOSING ENTRIES AND ADJUSTING ENTRIES?

A: ADJUSTING ENTRIES ARE MADE AT THE END OF AN ACCOUNTING PERIOD TO RECORD REVENUES THAT HAVE BEEN EARNED BUT NOT YET RECORDED AND EXPENSES THAT HAVE BEEN INCURRED BUT NOT YET RECORDED, TO ENSURE THAT FINANCIAL STATEMENTS REFLECT THE ACCRUAL BASIS OF ACCOUNTING. CLOSING ENTRIES, ON THE OTHER HAND, ARE MADE AFTER ADJUSTING ENTRIES TO ZERO OUT TEMPORARY ACCOUNTS AND TRANSFER THEIR BALANCES TO PERMANENT EQUITY ACCOUNTS, THEREBY PREPARING THE BOOKS FOR THE NEXT ACCOUNTING PERIOD.

### Q: CAN CLOSING ENTRIES BE MADE AT ANY TIME DURING THE ACCOUNTING PERIOD?

A: NO, CLOSING ENTRIES ARE SPECIFICALLY DESIGNED TO BE MADE AT THE END OF AN ACCOUNTING PERIOD. THIS IS BECAUSE THEIR PURPOSE IS TO SUMMARIZE THE FINANCIAL ACTIVITIES OF THAT SPECIFIC PERIOD AND RESET THE ACCOUNTS FOR THE SUBSEQUENT ONE. MAKING THEM MID-PERIOD WOULD DISTORT THE FINANCIAL PICTURE.

### Q: WHAT HAPPENS IF A BUSINESS FORGETS TO MAKE CLOSING ENTRIES?

A: IF A BUSINESS FORGETS TO MAKE CLOSING ENTRIES, THE BALANCES IN REVENUE, EXPENSE, AND DIVIDEND ACCOUNTS WILL CARRY OVER TO THE NEXT ACCOUNTING PERIOD. THIS WOULD RESULT IN INCORRECT FINANCIAL STATEMENTS FOR BOTH THE CURRENT AND FUTURE PERIODS, AS THEY WOULD NOT ACCURATELY REFLECT THE PERFORMANCE OF EACH INDIVIDUAL PERIOD.

### Q: ARE CLOSING ENTRIES REQUIRED FOR ALL TYPES OF BUSINESSES?

A: YES, CLOSING ENTRIES ARE A FUNDAMENTAL PART OF ACCRUAL ACCOUNTING AND ARE REQUIRED FOR VIRTUALLY ALL BUSINESSES THAT PREPARE FINANCIAL STATEMENTS USING THIS METHOD, REGARDLESS OF THEIR SIZE OR LEGAL STRUCTURE (SOLE PROPRIETORSHIP, PARTNERSHIP, CORPORATION). BUSINESSES USING A PERPETUAL INVENTORY SYSTEM AND THE CASH BASIS OF ACCOUNTING MIGHT HAVE SLIGHTLY DIFFERENT APPROACHES OR FEWER TEMPORARY ACCOUNTS TO CLOSE, BUT THE PRINCIPLE OF PERIOD-END SUMMARIZATION STILL APPLIES.

### Q: HOW DO CLOSING ENTRIES AFFECT RETAINED EARNINGS?

A: CLOSING ENTRIES DIRECTLY IMPACT RETAINED EARNINGS. NET INCOME FOR THE PERIOD INCREASES RETAINED EARNINGS, WHILE NET LOSS DECREASES IT. DIVIDENDS PAID TO SHAREHOLDERS ALSO DECREASE RETAINED EARNINGS. ESSENTIALLY, RETAINED

EARNINGS REPRESENT THE CUMULATIVE PROFITS OF THE COMPANY THAT HAVE NOT BEEN DISTRIBUTED AS DIVIDENDS.

### **Q: WHAT IS THE “INCOME SUMMARY” ACCOUNT, AND WHY IS IT USED?**

A: THE INCOME SUMMARY ACCOUNT IS A TEMPORARY CLEARING ACCOUNT USED IN THE CLOSING PROCESS. IT ACTS AS AN INTERMEDIARY TO CONSOLIDATE ALL REVENUES AND EXPENSES FOR THE PERIOD. BY CLOSING REVENUES AND EXPENSES TO THE INCOME SUMMARY FIRST, IT SIMPLIFIES THE PROCESS OF DETERMINING THE NET INCOME OR LOSS BEFORE TRANSFERRING IT TO RETAINED EARNINGS.

### **Q: CAN CLOSING ENTRIES BE MADE ON A MONTHLY BASIS?**

A: YES, CLOSING ENTRIES CAN BE MADE MONTHLY, QUARTERLY, OR ANNUALLY, DEPENDING ON THE COMPANY’S REPORTING CYCLE AND INTERNAL NEEDS. MANY BUSINESSES PERFORM MONTHLY CLOSINGS TO MAINTAIN UP-TO-DATE FINANCIAL INFORMATION FOR MANAGEMENT REVIEW AND DECISION-MAKING.

### **Q: WHAT IS THE POST-CLOSING TRIAL BALANCE?**

A: THE POST-CLOSING TRIAL BALANCE IS A LIST OF ALL PERMANENT ACCOUNTS (ASSETS, LIABILITIES, AND EQUITY) AND THEIR BALANCES AFTER ALL CLOSING ENTRIES HAVE BEEN POSTED. ITS PURPOSE IS TO ENSURE THAT THE TOTAL DEBITS EQUAL THE TOTAL CREDITS IN THE GENERAL LEDGER AFTER THE CLOSING PROCESS IS COMPLETE, CONFIRMING THE ACCURACY OF THE LEDGER.
