

CORE US SOCIOLOGY FOUNDATIONAL TEXTS

CORE US SOCIOLOGY FOUNDATIONAL TEXTS SERVE AS THE BEDROCK UPON WHICH OUR UNDERSTANDING OF HUMAN SOCIETY IS BUILT. THESE SEMINAL WORKS, PENNED BY BRILLIANT MINDS, OFFER CRITICAL PERSPECTIVES ON SOCIAL STRUCTURES, INEQUALITIES, INTERACTIONS, AND THE VERY FORCES THAT SHAPE OUR COLLECTIVE LIVES. DELVING INTO THESE FOUNDATIONAL TEXTS IS NOT JUST AN ACADEMIC EXERCISE; IT'S AN ESSENTIAL JOURNEY INTO COMPREHENDING THE COMPLEXITIES OF THE UNITED STATES, FROM ITS HISTORICAL DEVELOPMENT TO ITS CONTEMPORARY CHALLENGES. THIS ARTICLE WILL EXPLORE THE KEY PILLARS OF AMERICAN SOCIOLOGICAL THOUGHT, EXAMINING THE INFLUENTIAL THINKERS AND THE ENDURING IDEAS THAT CONTINUE TO RESONATE WITHIN THE DISCIPLINE. WE WILL NAVIGATE THROUGH CONCEPTS LIKE SOCIAL STRATIFICATION, SYMBOLIC INTERACTIONISM, AND THE CRITIQUE OF POWER, ALL ILLUMINATED BY THE PROFOUND INSIGHTS FOUND WITHIN THESE INDISPENSABLE WRITINGS.

TABLE OF CONTENTS

INTRODUCTION TO CORE US SOCIOLOGY FOUNDATIONAL TEXTS
THE CLASSICAL FOUNDATIONS: BUILDING BLOCKS OF SOCIOLOGICAL THOUGHT
KEY THINKERS AND THEIR ENDURING CONTRIBUTIONS
EXPLORING MAJOR THEORETICAL FRAMEWORKS
THEMATIC FOCUSES WITHIN FOUNDATIONAL TEXTS
WHY THESE TEXTS REMAIN RELEVANT TODAY

THE CLASSICAL FOUNDATIONS: BUILDING BLOCKS OF SOCIOLOGICAL THOUGHT

THE GENESIS OF SOCIOLOGY AS A DISTINCT ACADEMIC DISCIPLINE IN THE UNITED STATES IS DEEPLY INTERTWINED WITH THE INTELLECTUAL CURRENTS OF EUROPE, YET IT QUICKLY DEVELOPED ITS OWN UNIQUE CHARACTER AND FOCUS. EARLY AMERICAN SOCIOLOGISTS GRAPPLED WITH THE RAPID INDUSTRIALIZATION, URBANIZATION, AND IMMIGRATION THAT CHARACTERIZED THE LATE 19TH AND EARLY 20TH CENTURIES. THESE TEXTS PROVIDED THE INITIAL CONCEPTUAL TOOLS TO ANALYZE THESE TRANSFORMATIVE SOCIETAL SHIFTS. THEY LAID THE GROUNDWORK FOR UNDERSTANDING HOW SOCIETIES ARE ORGANIZED, HOW SOCIAL ORDER IS MAINTAINED, AND WHAT HAPPENS WHEN THAT ORDER IS DISRUPTED. THE FOUNDATIONAL TEXTS OFFERED A SCIENTIFIC LENS THROUGH WHICH TO EXAMINE HUMAN BEHAVIOR IN THE AGGREGATE, MOVING BEYOND PHILOSOPHICAL SPECULATION TO EMPIRICAL OBSERVATION AND THEORETICAL GENERALIZATION.

THESE EARLY WORKS WERE CRUCIAL IN ESTABLISHING SOCIOLOGY'S PLACE AMONG THE SOCIAL SCIENCES. THEY WERE NOT MERELY DESCRIPTIVE; THEY WERE ANALYTICAL AND OFTEN PRESCRIPTIVE, AIMING TO EXPLAIN SOCIAL PROBLEMS AND, IN SOME CASES, SUGGEST SOLUTIONS. THE INFLUENCE OF THINKERS LIKE AUGUSTE COMTE, ÉMILE DURKHEIM, KARL MARX, AND MAX WEBER, WHILE EUROPEAN, WAS PROFOUNDLY ADAPTED AND APPLIED TO THE AMERICAN CONTEXT BY EARLY US SOCIOLOGISTS. THE UNIQUE SOCIAL LANDSCAPE OF THE US, WITH ITS DEMOCRATIC IDEALS, ITS HISTORY OF SLAVERY AND RACIAL CONFLICT, AND ITS EXPANSIVE FRONTIER, PROVIDED FERTILE GROUND FOR NEW SOCIOLOGICAL INQUIRIES. THE FOUNDATIONAL TEXTS OF US SOCIOLOGY THUS REPRESENT A DYNAMIC ENGAGEMENT WITH UNIVERSAL SOCIOLOGICAL PRINCIPLES FILTERED THROUGH A DISTINCT NATIONAL EXPERIENCE.

KEY THINKERS AND THEIR ENDURING CONTRIBUTIONS

SEVERAL TOWERING FIGURES STAND OUT WHEN WE SPEAK OF CORE US SOCIOLOGY FOUNDATIONAL TEXTS. THEIR CONTRIBUTIONS ARE SO SIGNIFICANT THAT THEIR NAMES ARE VIRTUALLY SYNONYMOUS WITH THE FIELD'S DEVELOPMENT. THESE SCHOLARS DIDN'T JUST WRITE BOOKS; THEY SHAPED PARADIGMS, INTRODUCED GROUNDBREAKING CONCEPTS, AND INITIATED DEBATES THAT CONTINUE TO THIS DAY. UNDERSTANDING THEIR CORE ARGUMENTS IS PARAMOUNT TO GRASPING THE EVOLUTION AND CURRENT STATE OF SOCIOLOGICAL INQUIRY IN THE UNITED STATES.

W.E.B. DU BOIS: THE SOULS OF BLACK FOLK

W.E.B. Du Bois's "The Souls of Black Folk" is arguably one of the most important foundational texts in American sociology, particularly for its pioneering work on race and inequality. Published in 1903, it offered a searing indictment of racism and the systemic oppression faced by African Americans. Du Bois introduced the concept of "double consciousness," a term describing the internal conflict experienced by subordinated groups in an aggressive dominant society, where one sees oneself through the eyes of others and is aware of the stigma attached to one's race. This idea provided a powerful analytical tool for understanding the psychological and social impacts of racism. His meticulous empirical research, often presented in essay form, laid the groundwork for critical race studies and established a model for sociological inquiry grounded in lived experience and social justice.

CHARLES HORTON COOLEY: HUMAN NATURE AND THE SOCIAL ORDER

Charles Horton Cooley's "Human Nature and the Social Order" (1902) is another cornerstone, particularly for the development of micro-sociological perspectives and symbolic interactionism. Cooley is famous for introducing the concept of the "looking-glass self," which posits that our sense of self develops through our perceptions of how others perceive us. We imagine how we appear to others, imagine their judgment of that appearance, and develop our self-feelings accordingly. This emphasis on social interaction and the symbolic construction of reality profoundly influenced later generations of sociologists. His exploration of primary groups—small, intimate social groups like families and playmates—also highlighted the fundamental role of these intimate associations in shaping individual personality and social life.

ROBERT E. PARK: THE CITY AND THE DEVELOPMENT OF URBAN SOCIOLOGY

Robert E. Park, a key figure at the University of Chicago, was instrumental in developing urban sociology through his work and the research produced by his students. While Park didn't author a single, definitive foundational text in the same vein as Du Bois or Cooley, his collective influence, often articulated in essays and his leadership of the Chicago School of Sociology, is undeniable. His seminal essays, such as "The City: Suggestions for Investigation of Human Behavior in the Urban Environment" (co-authored), treated the city as a social laboratory. Park and his colleagues explored themes like human ecology, assimilation, social disorganization, and the spatial patterns of social life. Their empirical studies of immigrant communities, crime, and urban poverty provided rich, detailed portraits of American urban life and its associated social dynamics, setting a precedent for qualitative research in sociology.

TALCOTT PARSONS: THE STRUCTURE OF SOCIAL ACTION

Talcott Parsons, though later in his career, fundamentally reshaped sociological theory in the mid-20th century with "The Structure of Social Action" (1937). This monumental work aimed to synthesize the ideas of Durkheim, Weber, and Pareto into a grand, generalized theory of social action. Parsons developed structural-functionalism, a perspective that views society as a complex system whose parts work together to promote solidarity and stability. His focus on social systems, norms, values, and social institutions as mechanisms for social integration provided a dominant theoretical framework for decades. While later critiqued, Parsons's attempt to create a comprehensive theoretical system remains a significant touchstone in understanding the evolution of sociological thought in the US.

EXPLORING MAJOR THEORETICAL FRAMEWORKS

THE FOUNDATIONAL TEXTS OF US SOCIOLOGY ARE NOT JUST COLLECTIONS OF INDIVIDUAL INSIGHTS; THEY REPRESENT THE EMERGENCE AND REFINEMENT OF DISTINCT THEORETICAL FRAMEWORKS THAT OFFER DIFFERENT LENSES THROUGH WHICH TO VIEW THE SOCIAL WORLD. THESE FRAMEWORKS PROVIDE OVERARCHING PARADIGMS FOR UNDERSTANDING SOCIAL PHENOMENA, GUIDING RESEARCH QUESTIONS AND INTERPRETATIONS.

STRUCTURAL-FUNCTIONALISM: SOCIETY AS A SYSTEM

AS MENTIONED WITH TALCOTT PARSONS, STRUCTURAL-FUNCTIONALISM VIEWS SOCIETY AS A COMPLEX, INTERCONNECTED SYSTEM, MUCH LIKE A BIOLOGICAL ORGANISM. EACH PART OF THE SYSTEM—SOCIAL INSTITUTIONS LIKE THE FAMILY, EDUCATION, GOVERNMENT, AND RELIGION—SERVES A SPECIFIC FUNCTION THAT CONTRIBUTES TO THE OVERALL STABILITY AND EQUILIBRIUM OF SOCIETY. FOUNDATIONAL TEXTS WITHIN THIS TRADITION OFTEN EXPLORE HOW SHARED VALUES AND NORMS CREATE SOCIAL COHESION AND HOW DEVIATIONS FROM THESE NORMS CAN BE DYSFUNCTIONAL. THE EMPHASIS IS ON SOCIAL ORDER, INTEGRATION, AND THE MAINTENANCE OF THE STATUS QUO. IT ASKS: "WHAT IS THE FUNCTION OF THIS SOCIAL PHENOMENON IN MAINTAINING THE STABILITY OF SOCIETY?"

SYMBOLIC INTERACTIONISM: MEANING-MAKING IN EVERYDAY LIFE

IN CONTRAST TO THE MACRO-LEVEL FOCUS OF FUNCTIONALISM, SYMBOLIC INTERACTIONISM, HEAVILY INFLUENCED BY THINKERS LIKE COOLEY AND GEORGE HERBERT MEAD, FOCUSES ON THE MICRO-LEVEL INTERACTIONS BETWEEN INDIVIDUALS. THIS PERSPECTIVE EMPHASIZES THAT SOCIETY IS A PRODUCT OF EVERYDAY SOCIAL INTERACTIONS. INDIVIDUALS CREATE AND INTERPRET SYMBOLS (LANGUAGE, GESTURES, OBJECTS) TO GIVE MEANING TO THEIR EXPERIENCES AND TO COMMUNICATE WITH ONE ANOTHER. THE "SELF" IS SEEN AS SOCIALLY CONSTRUCTED THROUGH THESE INTERACTIONS. FOUNDATIONAL TEXTS IN THIS AREA EXPLORE HOW INDIVIDUALS LEARN SOCIAL ROLES, DEVELOP A SENSE OF IDENTITY, AND NAVIGATE THE COMPLEXITIES OF SOCIAL LIFE THROUGH SHARED UNDERSTANDING AND INTERPRETATION. IT ASKS: "HOW DO INDIVIDUALS CREATE AND INTERPRET MEANING THROUGH SOCIAL INTERACTION?"

CONFLICT THEORY: POWER, INEQUALITY, AND SOCIAL CHANGE

DRAWING HEAVILY FROM THE LEGACY OF KARL MARX, CONFLICT THEORY POSITS THAT SOCIETY IS CHARACTERIZED BY INHERENT CONFLICT AND COMPETITION, PARTICULARLY OVER SCARCE RESOURCES AND POWER. FOUNDATIONAL TEXTS IN THIS VEIN OFTEN ANALYZE SOCIAL INEQUALITIES BASED ON CLASS, RACE, GENDER, AND OTHER SOCIAL CATEGORIES. THEY HIGHLIGHT HOW DOMINANT GROUPS MAINTAIN THEIR POWER AND PRIVILEGE, OFTEN THROUGH COERCION OR IDEOLOGY, WHILE SUBORDINATE GROUPS STRUGGLE FOR RECOGNITION AND RESOURCES. THIS PERSPECTIVE VIEWS SOCIAL CHANGE AS A RESULT OF THESE ONGOING CONFLICTS. IT ASKS: "WHO BENEFITS FROM THE CURRENT SOCIAL ARRANGEMENTS, AND WHO IS DISADVANTAGED?"

THEMATIC FOCUSES WITHIN FOUNDATIONAL TEXTS

BEYOND OVERARCHING THEORETICAL FRAMEWORKS, CORE US SOCIOLOGY FOUNDATIONAL TEXTS CONSISTENTLY RETURN TO SEVERAL CRITICAL THEMATIC AREAS. THESE RECURRING THEMES REFLECT THE PERSISTENT SOCIAL QUESTIONS AND CHALLENGES THAT HAVE PREOCCUPIED SCHOLARS SINCE THE DISCIPLINE'S INCEPTION.

RACE AND ETHNICITY IN THE AMERICAN CONTEXT

THE STUDY OF RACE AND ETHNICITY IS CENTRAL TO AMERICAN SOCIOLOGY, AND FOUNDATIONAL TEXTS OFTEN PROVIDE GROUNDBREAKING ANALYSES. W.E.B. DU BOIS'S WORK ON THE "COLOR LINE" AND THE EXPERIENCE OF BLACK AMERICANS IS PARAMOUNT. OTHER EARLY SCHOLARS EXAMINED THE ASSIMILATION EXPERIENCES OF VARIOUS IMMIGRANT GROUPS, THE SOCIAL CONSTRUCTION OF RACIAL CATEGORIES, AND THE PERSISTENCE OF RACIAL PREJUDICE AND DISCRIMINATION. THESE TEXTS LAID THE GROUNDWORK FOR UNDERSTANDING HOW RACE IS NOT JUST A BIOLOGICAL MARKER BUT A SOCIAL AND POLITICAL CONSTRUCT THAT PROFOUNDLY SHAPES LIFE CHANCES AND SOCIAL STRATIFICATION IN THE UNITED STATES. THE ONGOING LEGACY OF SLAVERY AND ITS AFTERMATH REMAINS A CRITICAL THROUGHLINE IN THIS BODY OF WORK.

SOCIAL STRATIFICATION AND CLASS STRUCTURE

UNDERSTANDING HOW SOCIETIES ARE DIVIDED INTO HIERARCHICAL LAYERS BASED ON WEALTH, POWER, AND PRESTIGE IS ANOTHER ENDURING THEME. FOUNDATIONAL TEXTS EXPLORED THE EMERGING CLASS STRUCTURE OF INDUSTRIAL AMERICA, THE IMPACT OF ECONOMIC INEQUALITY ON SOCIAL MOBILITY, AND THE LIVED EXPERIENCES OF DIFFERENT SOCIAL CLASSES. CONCEPTS LIKE SOCIAL MOBILITY, CLASS CONSCIOUSNESS, AND THE MECHANISMS BY WHICH CLASS ADVANTAGES AND DISADVANTAGES ARE REPRODUCED ACROSS GENERATIONS ARE DEEPLY EXPLORED. THE WRITINGS OFFER CRITICAL INSIGHTS INTO THE ENDURING DEBATES ABOUT MERITOCRACY, POVERTY, AND THE DISTRIBUTION OF RESOURCES WITHIN AMERICAN SOCIETY.

URBANIZATION AND COMMUNITY LIFE

THE RAPID GROWTH OF CITIES IN THE UNITED STATES DURING THE 19TH AND 20TH CENTURIES MADE URBAN LIFE A MAJOR FOCUS FOR EARLY SOCIOLOGISTS, PARTICULARLY THOSE ASSOCIATED WITH THE CHICAGO SCHOOL. FOUNDATIONAL TEXTS EXAMINED THE SOCIAL ORGANIZATION AND DISORGANIZATION OF URBAN ENVIRONMENTS, THE DEVELOPMENT OF DISTINCT URBAN SUBCULTURES, AND THE IMPACT OF CITY LIVING ON INDIVIDUAL BEHAVIOR AND SOCIAL RELATIONSHIPS. CONCEPTS LIKE THE "URBAN VILLAGE," THE ECOLOGY OF THE CITY, AND THE CHALLENGES OF SOCIAL INTEGRATION IN DENSELY POPULATED, DIVERSE AREAS WERE RIGOROUSLY STUDIED. THESE WORKS PROVIDE INVALUABLE INSIGHTS INTO THE DYNAMICS OF MODERN URBAN COMMUNITIES.

WHY THESE TEXTS REMAIN RELEVANT TODAY

IT MIGHT BE TEMPTING TO DISMISS THESE OLDER TEXTS AS RELICS OF A BYGONE ERA, BUT THE TRUTH IS THAT THE CORE US SOCIOLOGY FOUNDATIONAL TEXTS ARE MORE RELEVANT THAN EVER. THE SOCIAL ISSUES THEY FIRST DISSECTED—RACISM, INEQUALITY, URBAN CHALLENGES, THE CONSTRUCTION OF IDENTITY—ARE STILL VERY MUCH WITH US, ALBEIT IN EVOLVING FORMS. THESE TEXTS PROVIDE US WITH THE CONCEPTUAL TOOLKIT TO ANALYZE CONTEMPORARY SOCIAL PROBLEMS WITH DEPTH AND HISTORICAL CONTEXT. THEY OFFER TIMELESS INSIGHTS INTO THE ENDURING PATTERNS OF HUMAN BEHAVIOR AND SOCIAL ORGANIZATION.

MOREOVER, ENGAGING WITH THESE FOUNDATIONAL WORKS ALLOWS US TO UNDERSTAND THE LINEAGE OF CURRENT SOCIOLOGICAL DEBATES. BY TRACING THE INTELLECTUAL ANCESTRY OF CONTEMPORARY THEORIES, WE GAIN A RICHER APPRECIATION FOR THE COMPLEXITY AND EVOLUTION OF THE FIELD. THEY SERVE AS A CRITICAL REMINDER THAT THE SOCIAL WORLD IS NOT STATIC; IT IS CONSTANTLY SHAPED AND RESHAPED BY THE VERY FORCES THESE EARLY SCHOLARS SOUGHT TO UNDERSTAND. READING THESE TEXTS IS AN INVESTMENT IN A MORE NUANCED AND INFORMED UNDERSTANDING OF OURSELVES AND THE SOCIETY WE INHABIT.

FAQ

Q: WHAT ARE CONSIDERED THE ABSOLUTE MOST SEMINAL FOUNDATIONAL TEXTS IN US SOCIOLOGY?

A: WHILE A DEFINITIVE LIST CAN BE DEBATED, W.E.B. DU BOIS'S "THE SOULS OF BLACK FOLK," CHARLES HORTON COOLEY'S "HUMAN NATURE AND THE SOCIAL ORDER," AND THE COLLECTIVE WORKS OF THE CHICAGO SCHOOL OF SOCIOLOGY (E.G., ESSAYS BY ROBERT E. PARK) ARE CONSISTENTLY CITED AS PARAMOUNT. TALCOTT PARSONS'S "THE STRUCTURE OF SOCIAL ACTION" IS ALSO CRUCIAL FOR ITS IMPACT ON MID-20TH-CENTURY THEORY.

Q: WHY IS W.E.B. DU BOIS'S "THE SOULS OF BLACK FOLK" SO IMPORTANT FOR US SOCIOLOGY?

A: THIS TEXT IS FOUNDATIONAL BECAUSE IT PROVIDED ONE OF THE EARLIEST AND MOST POWERFUL SOCIOLOGICAL ANALYSES OF RACE AND RACISM IN AMERICA. DU BOIS INTRODUCED THE CONCEPT OF "DOUBLE CONSCIOUSNESS" AND USED EMPIRICAL DATA AND CRITICAL THEORY TO EXPOSE THE DEVASTATING SOCIAL AND PSYCHOLOGICAL EFFECTS OF RACIAL INEQUALITY, SETTING A PRECEDENT FOR CRITICAL RACE STUDIES.

Q: HOW DID EARLY AMERICAN SOCIOLOGISTS ADAPT EUROPEAN THEORIES TO THE US CONTEXT?

A: EARLY AMERICAN SOCIOLOGISTS TOOK EUROPEAN IDEAS FROM THINKERS LIKE DURKHEIM, MARX, AND WEBER AND APPLIED THEM TO THE UNIQUE SOCIAL REALITIES OF THE UNITED STATES, SUCH AS RAPID INDUSTRIALIZATION, MASS IMMIGRATION, AND THE SPECIFIC HISTORICAL DEVELOPMENT OF RACE RELATIONS. THEY OFTEN CONDUCTED EMPIRICAL STUDIES ROOTED IN AMERICAN URBAN LIFE AND SOCIAL PROBLEMS.

Q: WHAT IS SYMBOLIC INTERACTIONISM AND WHICH FOUNDATIONAL TEXTS ARE ASSOCIATED WITH IT?

A: SYMBOLIC INTERACTIONISM IS A SOCIOLOGICAL PERSPECTIVE THAT EMPHASIZES HOW INDIVIDUALS CREATE AND INTERPRET MEANING THROUGH SOCIAL INTERACTION, USING SYMBOLS. KEY FOUNDATIONAL THINKERS INCLUDE CHARLES HORTON COOLEY ("THE LOOKING-GLASS SELF") AND GEORGE HERBERT MEAD (WHOSE IDEAS WERE POSTHUMOUSLY PUBLISHED IN "MIND, SELF, AND SOCIETY"), BOTH INSTRUMENTAL IN SHAPING THIS MICRO-SOCIOLOGICAL APPROACH.

Q: WHAT ROLE DID THE UNIVERSITY OF CHICAGO PLAY IN THE DEVELOPMENT OF FOUNDATIONAL SOCIOLOGICAL TEXTS?

A: THE UNIVERSITY OF CHICAGO WAS A MAJOR HUB FOR EARLY SOCIOLOGICAL RESEARCH, PARTICULARLY IN URBAN SOCIOLOGY. THE "CHICAGO SCHOOL" PRODUCED NUMEROUS INFLUENTIAL STUDIES EXAMINING URBAN LIFE, IMMIGRATION, SOCIAL DISORGANIZATION, AND CRIME, USING EMPIRICAL METHODS TO ANALYZE THE CITY AS A SOCIAL LABORATORY.

Q: ARE THESE FOUNDATIONAL TEXTS STILL TAUGHT IN SOCIOLOGY PROGRAMS TODAY?

A: YES, THESE CORE US SOCIOLOGY FOUNDATIONAL TEXTS ARE STILL WIDELY TAUGHT IN UNDERGRADUATE AND GRADUATE SOCIOLOGY PROGRAMS. THEY PROVIDE ESSENTIAL HISTORICAL CONTEXT, INTRODUCE FUNDAMENTAL THEORETICAL CONCEPTS, AND OFFER TIMELESS INSIGHTS INTO ENDURING SOCIAL ISSUES.

Q: HOW DO FOUNDATIONAL TEXTS HELP US UNDERSTAND CONTEMPORARY SOCIAL

PROBLEMS?

A: THESE TEXTS PROVIDE THE CONCEPTUAL FRAMEWORKS AND HISTORICAL CONTEXT NECESSARY TO ANALYZE CURRENT SOCIAL PROBLEMS. BY UNDERSTANDING THE ORIGINS OF ISSUES LIKE RACIAL INEQUALITY, SOCIAL STRATIFICATION, AND URBAN CHALLENGES, WE CAN BETTER GRASP THEIR COMPLEXITY AND PERSISTENCE IN TODAY'S SOCIETY.

Q: WHAT IS "DOUBLE CONSCIOUSNESS" AND WHO COINED THE TERM?

A: "DOUBLE CONSCIOUSNESS" IS A TERM COINED BY W.E.B. DU BOIS. IT DESCRIBES THE EXPERIENCE OF AFRICAN AMERICANS IN THE UNITED STATES, WHO MUST VIEW THEMSELVES THROUGH THE EYES OF A PREJUDICED WHITE SOCIETY WHILE ALSO BEING AWARE OF THEIR OWN IDENTITY AND WORTH, LEADING TO AN INTERNAL CONFLICT.
