

CPT CODES FOR CHIROPRACTIC

UNDERSTANDING CPT CODES FOR CHIROPRACTIC: A COMPREHENSIVE GUIDE

CPT CODES FOR CHIROPRACTIC ARE THE BEDROCK OF ACCURATE BILLING AND SEAMLESS CLAIMS PROCESSING IN THE HEALTHCARE INDUSTRY, ESPECIALLY WITHIN CHIROPRACTIC PRACTICES. THESE STANDARDIZED ALPHANUMERIC CODES, MAINTAINED BY THE AMERICAN MEDICAL ASSOCIATION (AMA), ARE ESSENTIAL FOR DOCUMENTING AND REPORTING THE SERVICES CHIROPRACTORS PROVIDE. WITHOUT A SOLID GRASP OF THESE CODES, PRACTICES CAN FACE SIGNIFICANT CHALLENGES, INCLUDING CLAIM DENIALS, DELAYED REIMBURSEMENTS, AND POTENTIAL COMPLIANCE ISSUES. THIS GUIDE WILL DEMYSTIFY THE WORLD OF CHIROPRACTIC CPT CODES, EXPLORING THEIR PURPOSE, COMMON CATEGORIES, SPECIFIC EXAMPLES, AND THE CRITICAL IMPORTANCE OF ACCURATE CODING FOR PRACTICE SUCCESS. WE'LL DELVE INTO THE NUANCES OF DIFFERENT TYPES OF VISITS, THERAPEUTIC PROCEDURES, AND DIAGNOSTIC TESTS, EMPOWERING YOU WITH THE KNOWLEDGE TO NAVIGATE THIS COMPLEX LANDSCAPE EFFICIENTLY AND EFFECTIVELY.

THE PURPOSE AND IMPORTANCE OF CPT CODES IN CHIROPRACTIC

CPT CODES, STANDING FOR CURRENT PROCEDURAL TERMINOLOGY, ARE A UNIVERSAL LANGUAGE USED BY HEALTHCARE PROVIDERS TO DESCRIBE THE MEDICAL SERVICES AND PROCEDURES THEY PERFORM. FOR CHIROPRACTORS, THESE CODES ARE NOT MERELY ADMINISTRATIVE TOOLS; THEY ARE CRUCIAL FOR COMMUNICATING THE VALUE AND SCOPE OF CARE DELIVERED TO PATIENTS. WHEN A CHIROPRACTOR PERFORMS AN ADJUSTMENT, A THERAPEUTIC EXERCISE, OR ANY OTHER SERVICE, A CORRESPONDING CPT CODE IS ASSIGNED TO DOCUMENT THAT SPECIFIC ACTION. THIS DOCUMENTATION IS THEN USED WHEN SUBMITTING CLAIMS TO INSURANCE COMPANIES, MEDICARE, MEDICAID, AND OTHER PAYERS FOR REIMBURSEMENT.

THE PRIMARY PURPOSE OF CPT CODES IS TO ENSURE CONSISTENCY AND ACCURACY IN REPORTING. IMAGINE A WORLD WITHOUT THEM: EACH PRACTICE WOULD DESCRIBE SERVICES DIFFERENTLY, MAKING IT NEARLY IMPOSSIBLE FOR INSURANCE COMPANIES TO PROCESS CLAIMS EFFICIENTLY OR FOR HEALTHCARE RESEARCHERS TO AGGREGATE DATA. CPT CODES PROVIDE A STANDARDIZED FRAMEWORK, ENABLING CLEAR COMMUNICATION BETWEEN PROVIDERS, PAYERS, AND REGULATORY BODIES. THIS STANDARDIZATION IS VITAL FOR FAIR AND EQUITABLE REIMBURSEMENT, ENSURING THAT CHIROPRACTORS ARE COMPENSATED APPROPRIATELY FOR THEIR SKILLED SERVICES.

FURTHERMORE, ACCURATE CPT CODING IS FUNDAMENTAL TO A PRACTICE'S FINANCIAL HEALTH. INCORRECT CODING CAN LEAD TO CLAIM REJECTIONS OR DENIALS, RESULTING IN LOST REVENUE AND INCREASED ADMINISTRATIVE BURDEN AS STAFF WORK TO

CORRECT AND RESUBMIT CLAIMS. BEYOND FINANCIAL IMPLICATIONS, ADHERENCE TO PROPER CODING GUIDELINES IS ALSO A MATTER OF COMPLIANCE. PAYERS OFTEN AUDIT CLAIMS, AND SIGNIFICANT DISCREPANCIES OR PATTERNS OF INCORRECT CODING CAN LEAD TO PENALTIES OR EVEN INVESTIGATIONS. THEREFORE, A DEEP UNDERSTANDING AND DILIGENT APPLICATION OF CPT CODES ARE INDISPENSABLE FOR ANY THRIVING CHIROPRACTIC PRACTICE.

KEY CPT CODE CATEGORIES FOR CHIROPRACTORS

CHIROPRACTIC SERVICES SPAN A WIDE RANGE, AND CPT CODES ARE ORGANIZED INTO CATEGORIES TO REFLECT THIS DIVERSITY. UNDERSTANDING THESE CATEGORIES HELPS CHIROPRACTORS AND THEIR BILLING STAFF EFFICIENTLY LOCATE THE APPROPRIATE CODES FOR THE SERVICES RENDERED. THE MOST RELEVANT CATEGORIES FOR CHIROPRACTIC PRACTICES GENERALLY FALL UNDER EVALUATION AND MANAGEMENT (E/M), CHIROPRACTIC MANIPULATIVE TREATMENT (CMT), AND VARIOUS THERAPEUTIC AND DIAGNOSTIC CODES.

THE EVALUATION AND MANAGEMENT (E/M) CODES ARE USED TO DESCRIBE THE INITIAL ASSESSMENT AND ONGOING MANAGEMENT OF A PATIENT'S CONDITION. THESE CODES ARE COMPLEX AND DEPEND ON FACTORS SUCH AS THE LEVEL OF MEDICAL DECISION-MAKING AND THE TIME SPENT WITH THE PATIENT. THEY ARE CRITICAL FOR ESTABLISHING THE MEDICAL NECESSITY OF CHIROPRACTIC CARE AND FOR CAPTURING THE COMPLEXITY OF PATIENT ENCOUNTERS BEYOND JUST THE PHYSICAL ADJUSTMENT.

CHIROPRACTIC MANIPULATIVE TREATMENT (CMT) CODES ARE PERHAPS THE MOST CENTRAL TO CHIROPRACTIC PRACTICE. THESE CODES SPECIFICALLY DESCRIBE THE MANUAL TREATMENT OF THE SPINE AND EXTREMITIES. THE CHOICE OF CMT CODE DEPENDS ON THE REGION OF THE BODY BEING TREATED AND THE NUMBER OF REGIONS MANIPULATED, DIFFERENTIATING BETWEEN ONE TO TWO REGIONS, THREE TO FOUR REGIONS, OR THE ENTIRE SPINE. ACCURATE IDENTIFICATION OF THE TREATED REGIONS IS PARAMOUNT FOR CORRECTLY ASSIGNING THESE CODES.

BEYOND ADJUSTMENTS, CHIROPRACTORS OFTEN PROVIDE OTHER SERVICES SUCH AS THERAPEUTIC EXERCISES, MASSAGE, AND ULTRASOUND. THESE FALL UNDER VARIOUS THERAPEUTIC PROCEDURE CODES. ADDITIONALLY, CERTAIN DIAGNOSTIC TESTS, LIKE X-RAYS OR NERVE CONDUCTION STUDIES, HAVE THEIR OWN SPECIFIC CPT CODES. FAMILIARIZING YOURSELF WITH THESE BROADER CATEGORIES PROVIDES A FOUNDATIONAL UNDERSTANDING OF HOW DIFFERENT CHIROPRACTIC SERVICES ARE DOCUMENTED AND BILLED.

COMMONLY USED CHIROPRACTIC CPT CODES EXPLAINED

WITHIN THE BROADER CATEGORIES, SPECIFIC CPT CODES ARE FREQUENTLY USED IN CHIROPRACTIC SETTINGS. ONE OF THE MOST FUNDAMENTAL IS THE CHIROPRACTIC MANIPULATIVE TREATMENT (CMT) SERIES. FOR INSTANCE, 98940 REPRESENTS CMT FOR ONE TO TWO REGIONS. IF THE CHIROPRACTOR TREATS THREE TO FOUR REGIONS, THE CODE SHIFTS TO 98941. TREATING FIVE OR MORE REGIONS IS CODED AS 98942. THESE CODES ARE EXCLUSIVELY FOR THE MANIPULATION OF THE SPINE AND ARE ESSENTIAL FOR DOCUMENTING THE CORE SERVICE PROVIDED BY CHIROPRACTORS.

WHEN IT COMES TO EVALUATING A PATIENT'S CONDITION, THE E/M CODES ARE USED. FOR NEW PATIENTS, CODES LIKE 99202 THROUGH 99205 DENOTE VISITS RANGING FROM STRAIGHTFORWARD TO HIGHLY COMPLEX, BASED ON MEDICAL HISTORY, EXAMINATION, AND MEDICAL DECISION-MAKING. ESTABLISHED PATIENTS HAVE THEIR OWN SET OF E/M CODES, SUCH AS 99211 THROUGH 99215, WHICH ALSO VARY BY COMPLEXITY AND TIME SPENT. IT'S IMPORTANT TO NOTE THAT E/M CODES ARE NOT TYPICALLY BILLED ON THE SAME DAY AS A CMT SERVICE FOR THE SAME CONDITION BY THE SAME PROVIDER, UNLESS SPECIFIC CRITERIA ARE MET AND APPROPRIATELY DOCUMENTED.

THERAPEUTIC PROCEDURES ALSO HAVE THEIR OWN DISTINCT CODES. FOR EXAMPLE, THERAPEUTIC PROCEDURES SUCH AS SUPERVISED THERAPEUTIC EXERCISES MIGHT BE CODED USING 97110. MASSAGE THERAPY, IF PERFORMED BY THE CHIROPRACTOR OR UNDER THEIR DIRECT SUPERVISION, COULD FALL UNDER CODES LIKE 97124 FOR MASSAGE. IT'S CRUCIAL TO REMEMBER THAT THE DOCUMENTATION MUST CLEARLY SUPPORT THE MEDICAL NECESSITY AND PERFORMANCE OF THESE ADDITIONAL SERVICES TO ENSURE PROPER REIMBURSEMENT.

ADDITIONALLY, DIAGNOSTIC IMAGING SERVICES, WHEN PERFORMED BY THE CHIROPRACTOR OR INTERPRETED BY THEM, HAVE SPECIFIC CODES. FOR INSTANCE, A STANDARD X-RAY OF THE LUMBAR SPINE MIGHT BE REPRESENTED BY A CODE SUCH AS 72110 FOR AN INITIAL ENCOUNTER. EACH DIAGNOSTIC CODE SPECIFIES THE TYPE OF IMAGING AND THE ANATOMICAL REGION. THE PRECISE APPLICATION OF THESE CODES RELIES HEAVILY ON THE SPECIFIC SERVICES DOCUMENTED IN THE PATIENT'S CHART.

NAVIGATING EVALUATION AND MANAGEMENT (E/M) CODES

EVALUATION AND MANAGEMENT (E/M) CODES ARE THE BACKBONE OF DOCUMENTING THE DOCTOR-PATIENT RELATIONSHIP AND THE CLINICAL DECISION-MAKING PROCESS. FOR CHIROPRACTORS, THESE CODES ARE CRITICAL FOR ESTABLISHING AND JUSTIFYING THE NEED FOR ONGOING CHIROPRACTIC CARE, ESPECIALLY FOR CONDITIONS REQUIRING MORE THAN JUST A SIMPLE ADJUSTMENT. E/M CODES ARE TIERED, MEANING THEY REPRESENT DIFFERENT LEVELS OF COMPLEXITY, FROM STRAIGHTFORWARD TO HIGHLY COMPLEX CASES.

THE KEY COMPONENTS THAT DETERMINE THE APPROPRIATE E/M CODE INCLUDE THE PATIENT'S HISTORY, THE PHYSICAL EXAMINATION PERFORMED, AND THE MEDICAL DECISION-MAKING REQUIRED. FOR NEW PATIENTS, THESE CODES RANGE FROM 99202 TO 99205. ESTABLISHED PATIENTS HAVE A SIMILAR RANGE WITH CODES 99211 TO 99215. THE CHOICE BETWEEN THESE CODES HINGES ON THE THOROUGHNESS OF THE HISTORY TAKEN, THE EXTENT OF THE PHYSICAL EXAMINATION, AND THE COMPLEXITY OF THE DIAGNOSES AND MANAGEMENT OPTIONS CONSIDERED BY THE CHIROPRACTOR.

FOR EXAMPLE, A NEW PATIENT VISIT INVOLVING A DETAILED HISTORY OF THEIR BACK PAIN, A COMPREHENSIVE PHYSICAL AND NEUROLOGICAL EXAM, AND THE DEVELOPMENT OF A TREATMENT PLAN THAT INCLUDES MULTIPLE MODALITIES WOULD LIKELY WARRANT A HIGHER-LEVEL E/M CODE THAN A PATIENT PRESENTING WITH A SIMPLE, ACUTE STIFF NECK AND A BRIEF EXAMINATION. THE CONCEPT OF "TIME" SPENT WITH THE PATIENT IS ALSO INCREASINGLY BEING RECOGNIZED AS A FACTOR IN SELECTING E/M CODES, PARTICULARLY IN CERTAIN SCENARIOS, EMPHASIZING THE IMPORTANCE OF DETAILED RECORD-KEEPING OF PATIENT FACE-TO-FACE TIME.

IT'S ALSO IMPORTANT TO UNDERSTAND THE CONCEPT OF "MEDICAL NECESSITY" WHEN USING E/M CODES. THESE CODES HELP PAYERS UNDERSTAND WHY THE CHIROPRACTIC SERVICES PROVIDED ARE MEDICALLY NECESSARY FOR THE PATIENT'S CONDITION. WITHOUT PROPER DOCUMENTATION TO SUPPORT THE LEVEL OF E/M SERVICE BILLED, CLAIMS CAN BE DENIED. THIS UNDERSCORES THE NEED FOR CHIROPRACTORS TO MAINTAIN DETAILED AND ACCURATE PATIENT RECORDS THAT FULLY REFLECT THE SERVICES RENDERED AND THE CLINICAL REASONING BEHIND THEIR TREATMENT DECISIONS.

UNDERSTANDING MODIFIERS AND THEIR ROLE

MODIFIERS ARE CRITICAL ADD-ONS TO CPT CODES THAT PROVIDE ADDITIONAL INFORMATION ABOUT A SERVICE WITHOUT CHANGING ITS BASIC DEFINITION. IN CHIROPRACTIC BILLING, MODIFIERS ARE FREQUENTLY USED TO CLARIFY SPECIFIC CIRCUMSTANCES SURROUNDING A PROCEDURE, PREVENTING CLAIM DENIALS AND ENSURING ACCURATE PAYMENT. THEY ACT AS CRUCIAL SIGNALS TO INSURANCE COMPANIES, OFFERING CONTEXT THAT MIGHT OTHERWISE BE AMBIGUOUS.

ONE OF THE MOST COMMON MODIFIERS IN CHIROPRACTIC BILLING IS THE 25 MODIFIER. THIS MODIFIER IS APPENDED TO AN E/M SERVICE CODE (LIKE 99202-99215) WHEN A SEPARATELY IDENTIFIABLE E/M SERVICE IS PERFORMED ON THE SAME DAY AS ANOTHER PROCEDURE, SUCH AS A CHIROPRACTIC MANIPULATIVE TREATMENT (CMT). FOR EXAMPLE, IF A CHIROPRACTOR PERFORMS A SIGNIFICANT, SEPARATELY IDENTIFIABLE E/M SERVICE DURING A VISIT THAT ALSO INCLUDES A SPINAL ADJUSTMENT, APPENDING THE 25 MODIFIER TO THE E/M CODE SIGNALS TO THE PAYER THAT THIS EVALUATION WAS DISTINCT FROM THE ADJUSTMENT AND SHOULD BE REIMBURSED SEPARATELY, PROVIDED APPROPRIATE DOCUMENTATION SUPPORTS ITS NECESSITY.

ANOTHER IMPORTANT MODIFIER IS THE 59 MODIFIER. THIS MODIFIER INDICATES A "DISTINCT PROCEDURAL SERVICE." IT'S USED WHEN A PROVIDER PERFORMS TWO OR MORE PROCEDURES THAT WOULD NORMALLY BE BUNDLED TOGETHER BY THE PAYER, BUT WERE DISTINCT OR INDEPENDENT. FOR INSTANCE, IF A CHIROPRACTOR PERFORMS A SPINAL ADJUSTMENT (E.G., 98941) AND A SEPARATE THERAPEUTIC PROCEDURE ON A DIFFERENT BODY REGION OR FOR A DIFFERENT CONDITION THAT WOULD TYPICALLY BE CONSIDERED PART OF THE SAME ENCOUNTER, THE 59 MODIFIER MIGHT BE NECESSARY TO INDICATE ITS DISTINCTNESS. HOWEVER,

THE 59 MODIFIER IS ONE OF THE MOST SCRUTINIZED MODIFIERS, AND ITS USE REQUIRES VERY SPECIFIC DOCUMENTATION TO PROVE THE PROCEDURES WERE INDEED SEPARATE.

OTHER MODIFIERS CAN INDICATE SERVICES PERFORMED BY ASSISTANTS, DIFFERENT PROVIDERS, OR SPECIFIC CIRCUMSTANCES OF THE PROCEDURE. THE CORRECT APPLICATION OF MODIFIERS IS A SKILL THAT REQUIRES CONTINUOUS EDUCATION, AS PAYER POLICIES CAN VARY. MISUSE OR OVERUSE OF MODIFIERS IS A COMMON REASON FOR CLAIM DENIALS, MAKING IT IMPERATIVE FOR CHIROPRACTIC PRACTICES TO HAVE A THOROUGH UNDERSTANDING OF THEIR PURPOSE AND APPROPRIATE USAGE.

TIPS FOR ACCURATE CHIROPRACTIC CPT CODING

ACHIEVING AND MAINTAINING ACCURACY IN CHIROPRACTIC CPT CODING IS PARAMOUNT FOR FINANCIAL HEALTH AND OPERATIONAL EFFICIENCY. IT'S A DYNAMIC PROCESS THAT REQUIRES DILIGENCE, ONGOING EDUCATION, AND A SYSTEMATIC APPROACH. ONE OF THE FOUNDATIONAL PRINCIPLES IS TO ALWAYS CODE TO THE HIGHEST LEVEL OF SPECIFICITY SUPPORTED BY THE DOCUMENTATION. THIS MEANS SELECTING THE MOST PRECISE CPT CODE THAT ACCURATELY REFLECTS THE SERVICE PERFORMED, RATHER THAN USING A MORE GENERAL CODE WHEN A SPECIFIC ONE IS AVAILABLE.

THOROUGH AND METICULOUS DOCUMENTATION IS THE CORNERSTONE OF ACCURATE CODING. EVERY SERVICE BILLED MUST BE CLEARLY SUPPORTED BY DETAILED NOTES IN THE PATIENT'S CHART. THIS INCLUDES THE PATIENT'S DIAGNOSIS, THE SERVICES RENDERED, THE ANATOMICAL REGIONS TREATED, THE TIME SPENT (IF APPLICABLE), AND THE PROVIDER'S CLINICAL REASONING. WITHOUT THIS EVIDENCE, EVEN THE MOST CORRECTLY CHOSEN CPT CODE CAN BE SUBJECT TO SCRUTINY AND POTENTIAL DENIAL. THINK OF YOUR DOCUMENTATION AS THE IRREFUTABLE PROOF OF THE WORK YOU'VE DONE.

REGULAR TRAINING AND CONTINUING EDUCATION FOR YOUR CODING AND BILLING STAFF ARE NON-NEGOTIABLE. CPT CODES AND PAYER GUIDELINES ARE SUBJECT TO CHANGE ANNUALLY, AND STAYING ABEAST OF THESE UPDATES IS ESSENTIAL. CONSIDER INVESTING IN CODING SOFTWARE THAT CAN FLAG POTENTIAL ERRORS OR INCONSISTENCIES, AND UTILIZE RESOURCES FROM PROFESSIONAL ORGANIZATIONS LIKE THE AMA AND CHIROPRACTIC ASSOCIATIONS. THESE RESOURCES OFTEN PROVIDE VALUABLE INSIGHTS AND UPDATES ON CODING BEST PRACTICES.

FINALLY, PERFORM REGULAR INTERNAL AUDITS OF YOUR CODING AND BILLING PROCESSES. THIS PROACTIVE APPROACH ALLOWS YOU TO IDENTIFY COMMON ERRORS, AREAS OF CONFUSION, AND POTENTIAL COMPLIANCE ISSUES BEFORE THEY BECOME SIGNIFICANT PROBLEMS. WORKING CLOSELY WITH YOUR BILLING TEAM, OR AN EXTERNAL BILLING SERVICE, TO REVIEW CLAIMS AND DENIAL TRENDS CAN HIGHLIGHT AREAS NEEDING IMPROVEMENT. BY IMPLEMENTING THESE STRATEGIES, YOU CAN SIGNIFICANTLY ENHANCE THE ACCURACY AND EFFECTIVENESS OF YOUR CHIROPRACTIC CPT CODING PRACTICES.

STAYING UP-TO-DATE WITH CPT CODE CHANGES

THE LANDSCAPE OF HEALTHCARE BILLING IS CONSTANTLY EVOLVING, AND CPT CODES ARE NO EXCEPTION. THE AMERICAN MEDICAL ASSOCIATION (AMA) REVISES THE CPT CODE SET ANNUALLY, INTRODUCING NEW CODES, DELETING OUTDATED ONES, AND MAKING SIGNIFICANT MODIFICATIONS TO EXISTING CODES. FOR CHIROPRACTIC PRACTICES, STAYING INFORMED ABOUT THESE CHANGES IS NOT JUST BENEFICIAL; IT'S AN ABSOLUTE NECESSITY TO ENSURE ACCURATE BILLING, PREVENT CLAIM REJECTIONS, AND MAINTAIN COMPLIANCE WITH PAYER REQUIREMENTS. IGNORING THESE UPDATES CAN LEAD TO A CASCADE OF FINANCIAL AND ADMINISTRATIVE PROBLEMS.

THE PRIMARY SOURCE FOR CPT CODE UPDATES IS THE AMA. EACH YEAR, THE AMA RELEASES A NEW EDITION OF THE CPT CODEBOOK. PRACTICES SHOULD ENSURE THEY ARE USING THE MOST CURRENT VERSION FOR THEIR BILLING. SUBSCRIBING TO AMA UPDATES OR INDUSTRY NEWSLETTERS FOCUSED ON MEDICAL CODING CAN HELP KEEP YOUR PRACTICE INFORMED ABOUT IMPENDING CHANGES. THESE UPDATES OFTEN COME WITH DETAILED EXPLANATIONS OF THE RATIONALE BEHIND THE CHANGES, WHICH CAN BE INVALUABLE FOR UNDERSTANDING THEIR IMPACT.

BEYOND THE AMA, VARIOUS PROFESSIONAL CHIROPRACTIC ASSOCIATIONS AND CODING EXPERTS OFTEN PROVIDE EDUCATIONAL RESOURCES AND WEBINARS SPECIFICALLY TAILORED TO THE CHIROPRACTIC PROFESSION. THESE RESOURCES TRANSLATE THE

OFFICIAL AMA UPDATES INTO PRACTICAL GUIDANCE FOR CHIROPRACTORS AND THEIR STAFF. FOR INSTANCE, THEY MIGHT HIGHLIGHT HOW NEW OR REVISED CODES WILL AFFECT COMMON CHIROPRACTIC PROCEDURES OR OFFER STRATEGIES FOR ADAPTING BILLING PRACTICES TO THE UPDATED GUIDELINES. ENGAGING WITH THESE EXPERT INTERPRETATIONS CAN MAKE THE PROCESS OF STAYING CURRENT MUCH MORE MANAGEABLE.

IT'S ALSO WISE TO WORK CLOSELY WITH YOUR BILLING SOFTWARE VENDOR. REPUTABLE VENDORS TYPICALLY UPDATE THEIR SYSTEMS TO REFLECT THE LATEST CPT CODES AND PAYER EDITS. REGULARLY CHECKING FOR SOFTWARE UPDATES AND CONFIRMING THAT YOUR SYSTEM IS CURRENT IS A VITAL STEP IN ENSURING THAT YOUR BILLING PROCESS ALIGNS WITH THE LATEST CODING STANDARDS. A PROACTIVE APPROACH TO UNDERSTANDING AND IMPLEMENTING CPT CODE CHANGES WILL NOT ONLY SAFEGUARD YOUR PRACTICE'S REVENUE STREAM BUT ALSO REINFORCE YOUR COMMITMENT TO ETHICAL AND COMPLIANT BILLING PRACTICES.

FREQUENTLY ASKED QUESTIONS ABOUT CPT CODES FOR CHIROPRACTIC

- **Q: WHAT IS THE PRIMARY PURPOSE OF CPT CODES IN CHIROPRACTIC BILLING?**

A: THE PRIMARY PURPOSE OF CPT CODES IN CHIROPRACTIC BILLING IS TO STANDARDIZE THE REPORTING OF SERVICES AND PROCEDURES PERFORMED BY CHIROPRACTORS, ENABLING ACCURATE CLAIMS SUBMISSION TO INSURANCE PAYERS FOR REIMBURSEMENT AND FACILITATING DATA COLLECTION FOR HEALTHCARE ANALYSIS.

- **Q: ARE CPT CODES UNIQUE TO CHIROPRACTIC, OR DO OTHER MEDICAL PROFESSIONALS USE THEM?**

A: CPT CODES ARE NOT UNIQUE TO CHIROPRACTIC. THEY ARE A UNIVERSAL CODING SYSTEM USED BY VIRTUALLY ALL HEALTHCARE PROVIDERS IN THE UNITED STATES TO REPORT MEDICAL PROCEDURES AND SERVICES TO PAYERS, GOVERNMENT AGENCIES, AND FOR RESEARCH PURPOSES.

- **Q: CAN A CHIROPRACTOR BILL FOR AN E/M CODE AND A CHIROPRACTIC MANIPULATIVE TREATMENT (CMT) CODE ON THE SAME DAY?**

A: YES, BUT ONLY IF THE E/M SERVICE IS SEPARATELY IDENTIFIABLE AND MEDICALLY NECESSARY. THE 25 MODIFIER IS TYPICALLY APPENDED TO THE E/M CODE TO INDICATE THIS DISTINCTION, AND ROBUST DOCUMENTATION MUST SUPPORT BOTH SERVICES.

- **Q: WHAT ARE THE MOST COMMONLY USED CPT CODES FOR CHIROPRACTIC ADJUSTMENTS?**

A: THE MOST COMMONLY USED CPT CODES FOR CHIROPRACTIC ADJUSTMENTS ARE IN THE 98940-98942 SERIES, WHICH REPRESENT CHIROPRACTIC MANIPULATIVE TREATMENT (CMT) FOR ONE TO TWO REGIONS, THREE TO FOUR REGIONS, AND FIVE OR MORE REGIONS OF THE SPINE, RESPECTIVELY.

- **Q: HOW DO I DETERMINE THE CORRECT E/M CODE LEVEL FOR A PATIENT VISIT?**

A: THE CORRECT E/M CODE LEVEL IS DETERMINED BY THE EXTENT OF THE PATIENT'S HISTORY, THE COMPLEXITY OF THE PHYSICAL EXAMINATION, AND THE MEDICAL DECISION-MAKING INVOLVED IN MANAGING THE PATIENT'S CONDITION, AS WELL

AS THE TIME SPENT WITH THE PATIENT IN SOME CASES.

- **Q: WHAT IS THE SIGNIFICANCE OF THE 59 MODIFIER IN CHIROPRACTIC CODING?**

A: THE 59 MODIFIER IS USED TO INDICATE A "DISTINCT PROCEDURAL SERVICE." IT SIGNIFIES THAT A PROCEDURE OR SERVICE WAS DISTINCT OR INDEPENDENT FROM OTHER SERVICES PERFORMED ON THE SAME DAY, OFTEN USED WHEN A PAYER MIGHT OTHERWISE BUNDLE SERVICES.

- **Q: HOW OFTEN ARE CPT CODES UPDATED, AND WHERE CAN I FIND THE LATEST INFORMATION?**

A: CPT CODES ARE UPDATED ANNUALLY BY THE AMERICAN MEDICAL ASSOCIATION (AMA). THE LATEST INFORMATION CAN BE FOUND IN THE OFFICIAL CPT CODEBOOK, AMA PUBLICATIONS, AND THROUGH VARIOUS PROFESSIONAL CHIROPRACTIC ASSOCIATIONS AND CODING RESOURCES.

- **Q: WHAT HAPPENS IF A CHIROPRACTIC PRACTICE USES INCORRECT CPT CODES?**

A: USING INCORRECT CPT CODES CAN LEAD TO CLAIM DENIALS, DELAYED REIMBURSEMENT, REDUCED REVENUE, INCREASED ADMINISTRATIVE WORK TO CORRECT ERRORS, AND POTENTIAL COMPLIANCE ISSUES OR AUDITS BY PAYERS, WHICH CAN RESULT IN PENALTIES.
